Dear Friends and Clients of CITYCORP Realty:

Welcome to the charming delights of the fall season. We encourage you to liberate some micro-sachets of time from your busy fall schedule to:

- Enjoy the dance of multi-coloured leaves floating in the breeze while they make their way from the tree to the ground; stop to admire the prettiest ones.
- Drink in the sunshine and absorb the warmth of Ontario's "Indian Summer".
- Gather and delight in the rich cornucopia of fruit and vegetables from garden or market; taste their sun-ripened fresh goodness.
- Cook some harvest delicacies; inhale the spicy aromas and savour the manifold flavours.
- Raise a glass of harvest wine with family and friends and toast your love and friendship.
- Smell the last rose of summer and shed a melancholy tear for the end of a season and another tear of happiness for the promise of the next.

Yes, like you, we too are enjoying the aromas, colours and gentle warmth of the season and celebrating the goodness of the past and our hopes for the future. Thank you for being part of the goodness in our past; we look forward to your friendship in the future. We also have some news to share with you.

Firstly, by the time you receive this letter, our new web site should almost be up and running. Check it out at www.citycorp.ca. There are ways for you to stay in touch, to contact us (we always love to hear from you), sign up for a short newsletter and helpful links through which you can access helpful Real Estate resources.

Included with this letter is a package of five **CITYCORP Realty Yard Waste Bags** to help you gather all those colourful leaves we mentioned above. If you cannot use them, please pass them on to a friend who can. And, if you are using them and require more, feel free to stop by our office, located in charming Belmont Village and pick up an additional package of bags (while supplies last). We are always pleased when our clients and friends stop by for a visit.

Wishing you a pleasant fall season,
